

New Project

Tonight, we'll be starting a new project using data provided by Metalworking Solutions.

Ian from Metalworking Solutions will be coming in on Thursday to provide more information about the data and answer any questions. Please come in ready with questions.

You'll be presenting your findings back on Thursday, March 27.

New Project

For this project, there are 4 areas to investigate, and each group will focus on one.

Each group will put together a Shiny application to address the topic assigned to your group.

New Groups

- **Group 1 - Andrew, Dollada, Gracie, Jeff**
 - Will focus on question 1, related to customers.
- **Group 2 - Vicki, Maria, Yichuan, Cavin**
 - Will focus on question 2, related to parts.
- **Group 3 - Nitin, Lou, Alexander, Zach**
 - Will focus on question 3, related to operations.
- **Group 4 - Thomas, Billy, Brannon**
 - Will focus on question 4, related to on-time performance.
